PROCESSING JUDICIAL BINGO

keep working when alarm goes off	Yelled at by inmate	I need water	need my Meds	tampons please
called in on day off	Sgt. doing nothing	Alias overload	missing case number on bond	need toilet paper
can I make a phone call?	flooding in holding cell	**FREE**	relief shows up late	I can't breathe
short staffing	regular gets arrested	flexing in H2	I wanna talk to the Sgt.	that's not my warrant
booked in twice on same day	time served	what's my court date	processing lock down	not my pants
