Katniss twirls in her flaming dress	Someone with blue hair	"I'll still cook you"	"Because she came here with me"	The cannon sounds
"I just don't think there's anything wrong with getting a little bit of help"	"Hey Katniss shoot straight"	Someone wears a colorful dress	The first parachute	Katniss closes Rue's eyes
"One of us should go home"	Trackers are injected	**FREE**	"I think you have a shadow"	"Where's loverboy?"
"Well I was just hoping that I wouldn't burn to death"	"I like you. Be careful"	"So what happens when we get back?"	Katniss shoots the apple	"They have to have their victor"
"I'm not gonna leave you. I'm not gonna do that"	"We plan to be generous hosts"	"Mom, don't just sit there look at me!"	The last cannon fires	"Back home we used them to signal all the time"
