

I've had SEX

on the beach	A hotelroom	Someone you just met in the city	in public	With a neighbor
Host sex party's	on a plane	in a hot tub	At a festival	in the woods
on top of a washing machine	At the train station	2020 Free for All	Use prep	With a co-worker
in the train	With a delivery guy	in a tent	Use chems	With your team mate(s)
Go to home sex party's	in the car	In a club	with a friend	In the office
