

| <b>B</b>                          | <b>I</b>                              | <b>N</b>                    | <b>G</b>                                     | <b>O</b>                           |
|-----------------------------------|---------------------------------------|-----------------------------|----------------------------------------------|------------------------------------|
| I secretly love "The Kardashians" | I am a Drama Queen/King               | I am the only child         | I have three or more siblings                | I have a farm                      |
| I am scared of Ghosts             | I love to play pranks                 | I have had broken bones     | I am a good dancer                           | I have naturally brown hair        |
| I love Korean Drama               | I still listen to High School Musical | <b>FREE</b>                 | I am a perfectionist at work & messy at home | I can speak more than 2 languages  |
| I can whistle                     | I like pineapple on a pizza           | I can't live without coffee | I can do a split                             | I have attended meetings in my PJs |
| I am told I snore                 | I am left handed                      | I have met someone famous   | I work out every week                        | I am the oldest sibling            |
