Who put the bomp	Ain't no mountain High enough	Dreams	Please Mr. Post Man	Last kiss
Don't stop believin'	Stay	Mama Said	All right now	Some kind of wonderful
Chapel Of love	Hello Dolly	FREE	Hungry eyes	Put your head on my shoulder
It takes two	My Boyfriend's back	Footloose	Long cool woman	Every breath you take
Crazy little thing called love	Cry to me	Love is strange	Donna the prima donna	My Boy Lolipop
