Touches their face	"I'm sorry. I was on mute!"	Obviously texting off screen	Someone takes a sip of their drink	Someone mentions Covid-19
Baby starts crying	Someone yawns	Someone says "I'll share my screen"	*silent head nodding*	Someone says "love"
Someone walks by in the background	Two people talking at the same time	FREE	A pet joins the meeting	Someone changes their digital background
Someone gets emotional	Someone talks about the weather	Someone is wearing a t-shirt	Someone asks if Neil is wearing shoes or not	Someone says "Congratulations"
Someone asks Joe where he is going on his honeymoon	Awkward silence	Someone says "Wedding"	Weird Background noises	Dog starts barking
