Strategic avoidance of emotional elephant in the room.	"Are you sure you want to eat that?"	Dead silence over lumpy mashed potatoes	Someone crying in the bathroom.	Quiet whispers from across the room.
Curse word said in front of a child.	Storming out in anger.	Shit-talking about someone in the next room.	"Who burned the got damn turkey?!" blame game	Snarky comment about the green beans that's not actually about the green beans.
Someone makes up an excuse to leave before dessert.	The disclaimer before company comes over.	AWKWARD SLIENCE FREE SPACE	Adult assigned to the kids' table as punishment.	Merciless teasing of most vulnerable family member.
Mom hides out from washing dishes.	Someone gets too drunk and passes out before dinner.	Overtly racist rant about Trudeau.	Grandma smiles and feeds everyone.	Revived Sibling Rivalry from 10 years ago.
Dirty looks between your mom and your uncle.	Creepy neighbour says something inappropriately sexual.	Simmering resentment about the dog getting to sit at the table.	Unnecessarily aggressive knife and fork plate scraping.	Dad sneaks outside to smoke a joint.
