Whenever you arrive text me.	Because I wasn't home he left.	I looked at who was in the car.	The film that we saw was short.	Pay attention to what he says.
Here is the coat you asked for.	When it was cold I bundled up.	She asked if I could help her.	Do you know why he is late?	The dogs stayed where it was warm
We sat outside until the sun set.	Whoever bought the ham gets it.	FREE	He watched football after he ate.	I replied that I could help.
If he calls tell him to wait.	This is the last test that I saw.	Is that the plant that bloomed?	I read the note that I received.	Poe wrote the poem that we read.
I love to sleep when it rains.	Here are the kids that need help.	She listened while she studied.	You should visit before you leave	I don't know what he wants.
