Toxic diet culture.	"Biden is a socialist."	Convo about the school district.	Someone gets too drunk and passes out before dinner.	Quiet whispers from across the room.
Adult assigned to the kids' table as punishment.	Strategic avoidance of emotional elephant in the room.	Simmering resentment about the dog getting to sit at the table.	"I don't need therapy because I don't have a weak mind."	Someone crying in the bathroom.
Storming out in anger.	Unnecessarily aggressive knife and fork plate scraping.	Awkward Silence Free Space	"I saw this on Facebook..."	Grandma and Grandpa can't drive that far.
How's your job?	Someone makes up an excuse to leave before dessert.	Overtly racist rant about Obamacare.	Curse word said in front of a child.	Shit-talking about someone in the next room.
Creepy uncle says something inappropriately sexual.	"Someone" sneaks outside to smoke a joint.	Snarky comment about the green beans that's not actually about the green beans.	When are YOU having more kids?	Comment about BLM.
