Someone underage drinks booze.	"I'm thankful for... uh.. just come back to me."	No turkey.	Someone shows up too late and we have to hold dinner.	Someone has too much to drink
Curse word said in front of a child.	Someone tries to push hollistic remedies.	Someone says "And then what?"	"Is anyone else hot??" or " I'ts really hot in here."	Someone tries to do laundry in the middle of thanksgiving.
Someone yells at the dog for being a dog.	"Where is(child)" or "has anyone seen (child)?"	AWKWARD SLIENCE FREE SPACE	Shit-talking about someone in the next room.	Someone breaks a something.
Someone tells a story everyone has heard a million times.	Someone gives unsolicited advice.	Someone shows up high.	Revived Sibling Rivalry from 10 years ago.	Someone openly talks about how they wore special pants to eat more food.
Childhood trauma as punchline.	Someone spends an inconsiderate amount of time in the downstairs bathroom after dinner.	Mentions how they haven't eaten all day in preparation.	Talking smack about someone not here.	More than 5 people in the kitchen at once.
