

|                                             |                                           |                                          |                            |                                     |
|---------------------------------------------|-------------------------------------------|------------------------------------------|----------------------------|-------------------------------------|
| I've been to Texas.                         | I am afraid of heights.                   | I have a pet fish.                       | I was a football player.   | I have more than five siblings.     |
| I hate broccoli.                            | I'm an only child.                        | I have worked at Accraply over 10 years. | I am over 6 feet tall.     | I'm allergic to cats.               |
| I've never been stung by a bee.             | I can ride my bike with no handlebars.    | I have blue eyes.                        | I have brown eyes.         | I'm a morning person.               |
| I have gone ten days without a real shower. | I prefer crunchy peanut butter to creamy. | I have a twitter account.                | I have seen the movie Saw. | I can say hello in three languages. |
| I was born after 1990.                      | I have a food allergy.                    | My favorite food is pizza.               | I have a hidden talent.    | I have been to Europe.              |

|                                             |                                        |                                          |                                 |                                           |
