

Strategic avoidance of emotional elephant in the room.	"Are you sure you want to eat that?"	Merciless teasing of most vulnerable family member.	Someone hides from washing dishes.	Shit-talking about someone in the next room.
Dirty looks between your mom and your uncle.	Storming out in anger.	Simmering resentment about event that happened 5 years ago.	Adult assigned to the kids' table as punishment.	Someone gets too drunk and passes out before dinner.
Someone says something inappropriately sexual.	The disclaimer before company comes over.	Free Space (Petty comment)	Crying in the bathroom.	Passive aggressive line of questioning ends in awkward silence.
Quiet whispers from across the room.	Someone makes up an excuse to leave before dessert.	Screaming fight about grandpa's last wishes.	Overtly racist rant.	Sibling Rivalry Revived by someone who has no business discussing it.
Narcissist throws a fit when things don't go their way.	Curse word said in front of a child.	Snarky comment about the green beans that's not actually about the green beans.	Unnecessarily aggressive knife and fork plate scraping.	Grandma smiles and feeds everyone.
