

B	I	N	G	O
Your brother has come	All I have is yours	"I have sinned before Heaven"	Lavish	Swine
Open arms	I have been here all along	Worthy	Relationship with the Father	Divide our inheritance
Run to the Father	Wasted his livelihood	FREE	Your brother has come home	Forgiveness
Put a ring	No longer slave but a child	What was dead is alive now	No offenses	Waits for us
Once I was lost now I am found	Restore	Make me your servant	Loving Father	Prodigal

B	I	N	G	O
No offenses	Lost Son	Forgiveness	He had nothing	Put a ring
Precious and valuable	Open arms	Divide our inheritance	What was dead is alive now	Swine
Music and dancing	No longer slave but a child	FREE	Worthy	Your brother has come home
All I have is yours	Prodigal	I have been here all along	Restore	fatted calf
The Father ran	Run to the Father	Relationship with the Father	Waits for us	He meets us halfway
