|------------------------------------------------------------|-------------------------------------------------------------------|----------------------------------------------------|------------------------------------------------------|--------------------------------------------|
| Once i got lost in a zoo and cried                         | Aircraft fuel makes me feel nostalgic                             | I first beat off when i was 14                     | I love ravioli                                       | I jacked off in England a few times        |
| I enjoy milking my feet                                    | Ive touched a boob                                                | I like a lady named Alanna                         | I accidentally cut someone off in a round about      | I love pinapple and strawberries and stuff |
| I think i have a mark on my foot/ankle                     | Sometimes before i pee i pinch it and let it fill up              | <b>FREE</b>                                        | I bought a metal fidget spinner when i was in year 9 | I had a racing car bed when i was young    |
| I have broken my bed a few times                           | I smell my own oder sometimes lol                                 | I hit my head multiple times on the racing car bed | I had a in grown toe nail surgery when i was 15      | I killed a snake once lol                  |
| I got sent to detention for hitler saluting a teacher once | I didnt have a single alcoholic drink unsupervised until i was 18 | I love cats                                        | Sometimes i stare at myself in the mirror            | I fart every time i get in bed             |

|                                                      |                                                      |                                        |                                                                   |                                                            |
