

B	I	N	G	O
triangle	360 degrees	intersecting lines	right angle	point
complementary angles	trapezoid	ray	acute angle	rhombus
supplementary angles	vertex	FREE	alternate exterior angles	parallel lines
parallelogram	square	perpendicular lines	obtuse angle	polygons
line segment	alternate interior angles	rectangle	vertical angles	corresponding angles

B	I	N	G	O
vertex	acute angle	right angle	complementary angles	ray
intersecting lines	vertical angles	point	alternate interior angles	rhombus
parallelogram	alternate exterior angles	FREE	parallel lines	360 degrees
obtuse angle	rectangle	triangle	corresponding angles	square
perpendicular lines	polygons	supplementary angles	trapezoid	line segment

B	I	N	G	O
alternate interior angles	rectangle	acute angle	polygons	alternate exterior angles
triangle	parallelogram	perpendicular lines	trapezoid	point
supplementary angles	corresponding angles	FREE	square	obtuse angle
vertex	rhombus	right angle	vertical angles	intersecting lines
parallel lines	360 degrees	ray	complementary angles	line segment
