The fetus is a human being not part of the mother's body	Abortion Holocaust	Adoption is a holy choice	Pray for conversion of hearts of abortionists	Growing a little person inside of you is a miracle
Abortion is murder	The Miracle of Life	Life belongs to God	Abortion causes severe emotional trauma	So many people can't have children and want them
The heart beat of a fetus is detectable as early as 6 weeks	Abortion ends one life and harms many others	FREE	It is a child	Everyone alive can thank their parents for being pro-life
Abortion is comparable to slavery	God created life	Pray for women who have had an abortion	God has had that person in danger of abortion in His mind since before time	Post Abortion Syndrome
Protect the life of Children	Children belong to God	Be your own person listen to your heart	I am Pro-Life	Abortion is against the Law of Life
