

True Love's kiss	A guy like you	A girl worth fighting for	I'm wishing	Right here right now
Love's first kiss	Can you feel the love tonight	Start of something new	Oogway ascends	A whole new world
Something there	You are the music in me	FREE	Beauty and the beast	Once upon a dream
Kiss the girl	Lava	So close	Love is an open door	Rewrite the stars
Some day my prince will come	It only takes a moment	Ma Belle Evangeline	If I didn't have you	Bella Notte

Best of friends	Once upon a dream	Love's first kiss	Love is an open door	Beauty and the beast
Something there	Sally's song	Kiss the girl	Lava	Start of something new
A whole new world	You are the music in me	FREE	A guy like you	Right here right now
Ma Belle Evangeline	Married life	Can you feel the love tonight	I'm wishing	Remember me
Oogway ascends	So this is love	Bella Notte	Can I have this dance	Rewrite the stars

Married life	A guy like you	Kiss the girl	A girl worth fighting for	Love is an open door
Can you feel the love tonight	True Love's kiss	Bella Notte	You've got a friend in me	You'll be in my heart
Don't go breaking my heart	Beauty and the beast	FREE	Sally's song	Oogway ascends
I won't say (I'm in love)	Love's first kiss	Can I have this dance	A whole new world	Right here right now
Lava	I'm wishing	Once upon a dream	It only takes a moment	Rewrite the stars
