WHO IS THIS?

There's a right way let me teach you	Ability to anticipate potential outcomes makes them the "risk manager" on teams	Feels mutual respect when you stand your ground and are direct.	Team player who fosters and thrives in a team environment	No worries! I'm fine I don't need anything
Energy can become overpowering and intimidating to others even when they don't intend to	Their drive and energy makes them the "motivator" and "role model" on a team	Puts a positive spin on negative information or avoids negative subjects.	Ability to see all sides make them tactful communicators	Sees potential in people and wants to help them succeed.
Their affinity for change and willingness to try anything makes them the "visionary" on teams	Understands and accepts people as they are Can get along with almost anyone	**FREE**	Appreciates when you acknowledge their positive intention	Mistakenly believes that no one will like the real them so life becomes a performance for others' approval
Mistakenly thinks that the grass is greener somewhere else	The world values a champion. I must avoid failure.	No need to rock the boat. I'll keep the peace.	Living their best life. YOLO	Professional goal setter
Lack of affirmation leads them to believe they're not doing enough	Decisive and self-confident	Routine is my jam	What can go wrong here and who can I trust?	Express their caring through acts of service
