Strategic avoidance of emotional elephant in the room.	Brings own food to dinner	Grandma smiles and feeds everyone.	Someone gets too drunk and passes out before dinner.	Screaming fight about grandpa's last wishes.
Dirty looks between your mom and your uncle.	Storming out in anger.	Simmering resentment about the dog getting to sit at the table.	Brother sneaks outside to smoke a joint.	Someone crying in the bathroom.
Stares at phone	The disclaimer before company comes over.	AWKWARD SLIENCE FREE SPACE	Creepy uncle says something inappropriately sexual.	Overtly racist rant about Obamacare.
Quiet whispers from across the room.	Someone makes up an excuse to leave before dessert.	Revived Sibling Rivalry from 10 years ago.	Mom hides out from washing dishes.	Shit-talking about someone in the next room.
Merciless teasing of most vulnerable family member.	Curse word said in front of a child.	Snarky comment about the green beans that's not actually about the green beans.	Unnecessarily aggressive knife and fork plate scraping.	Doesnt say hello
