We're stars and we're beautiful	(No better time for your shine you're a star)	'Cause covergirls don't cry	No better you than the you that you are	She says: Beauty is pain and there's beauty in everything
Oh-oh-oh-oh-oh oh-oh-oh-oh	Deeper than the eyes can find it	We're stars and we're beautiful	She goes unnoticed	(No better you than the you that you are)
She prays to be sculpted by the sculptor	There's a hope that's waiting for you in the dark	FREE	What's a little bit of hunger?	And you don't have to change a thing the world could change its heart
She fades away	Oh you're beautiful	And you don't have to change a thing the world could change its heart	Oh-oh-oh oh-oh-oh-oh	The light that shines within
Oh-oh-oh-oh-oh oh-oh-oh-oh	She praises an image	There's a hope that's waiting for you in the dark	No scars to your beautiful	No scars to your beautiful

She craves attention	Oh-oh-oh oh-oh-oh- oh	No scars to your beautiful	And you don't have to change a thing the world could change its heart	And you don't have to change a thing the world could change its heart
She don't understand she's worth it	Or that beauty goes deeper than the surface oh oh oh oh	Oh-oh-oh-oh-oh oh-oh-oh-oh	And cut her woes away	We're stars and we're beautiful
And you don't have to change a thing the world could change its heart	So she tries to cover up her pain	FREE	Oh you're beautiful	And you don't have to change a thing the world could change its heart
We're stars and we're beautiful	(No better you than the you that you are)	What's a little bit of hunger?	We're stars and we're beautiful	She fades away
She says: Beauty is pain and there's beauty in everything	Oh you're beautiful	Oh-oh-oh oh-oh-oh- oh	Deeper than the eyes can find it	No better you than the you that you are

We're stars and we're beautiful	She just wants to be beautiful	You know covergirls eat nothing	So she's starving	She prays to be sculpted by the sculptor
She has dreams to be an envy	The light that shines within	And you don't have to change a thing the world could change its heart	And you don't have to change a thing the world could change its heart	She knows no limits
Or that beauty goes deeper than the surface oh oh oh oh	Deeper than the eyes can find it	FREE	She praises an image	She don't see her perfect
(No better time for your shine you're a star)	Oh you're beautiful	'Cause covergirls don't cry	Oh-oh-oh-oh-oh oh-oh-oh-oh	She don't understand she's worth it
We're stars and we're beautiful	And you don't have to change a thing the world could change its heart	You should know you're beautiful just the way you are	You should know you're beautiful just the way you are	Help you see a little bit clearer
