I usually am the funny co-worker	I always dreamt of becoming a police officer	I am married with children	I live in a smaller town	I feel devastated when it is raining
I am an early bird	I start my day with a cup of coffee	I have been learning English for ages	I am a master of Robotzaru I always know what to do when it is a #socket error	I know a lot of police jokes
I prefer dogs as I feel they are more faithful	I usually use swear words while driving	FREE	I am a newbie	I can count to ten in an other language
I deeply trust my abilities	I lived abroad	I enjoy reading detective stories	I am planning a travel to teh UK next summer	I feel emberessed when I have to speak English in front of others
I am more like a cat person	I am a sporty type I like running	I have more than 10 years experience in my work	Usually I don't do smalltalks but when I do I can be remarkably nice	I am left handed
