Your brother has come	Divide our inheritance	Loving Father	Swine	Prodigal
Kingdom of Heaven	Worthy	Relationship with the Father	He had nothing	Run to the Father
What was dead is alive now	Your brother has come home	FREE	He meets us halfway	Once I was lost now I am found
Jesus	Open arms	The Father ran	Precious and valuable	Waits for us
Music and dancing	Put a ring	Make me your servant	I have been here all along	Restore
