My turtle died	;	I got food poisoning	My kid is sick again	Its Sunday
I ate bad tuna	My ride didn't show up.	My car wont start	Aliens abducted me	My dick is stuck in a zipper
My phone broke down	Something came up	FREE	Family emergency	I hit my leg on my other job
I might have a COVID	My knee hurts	I need to take my wife to the hospital	I have a sore throat	Last night I got into fight
I had a rough night	Free	My cat has hairball stuck in his throat	Sorry I didn't see the message	I forgot to put an alarm
