Something came up	Aliens abducted me	I have a sore throat	My knee hurts	My bus was late
I got food poisoning	My turtle died	My cat has hairball stuck in his throat	Family emergency	My kid is sick again
My ride didn't show up.	Sorry I didn't see the message	FREE	I ate bad tuna	I need to take my wife to the hospital
Its Sunday	My phone broke down	Last night I got into fight	I might have a COVID	My car wont start
I hit my leg on my other job	I forgot to put an alarm	My dick is stuck in a zipper	The trolley is not working	I had a rough night
