

Never Have I Ever...

smoked weed	been a member of a band or orchestra	can speak a foreign language	made out at the movies	has had stitches
been to a Hawaii	ridden a bicycle	laughed so hard you peed	been arrested	parked in a handicapped parking space
spanked someone else's child	been involved in a public fight	Given Beer Billy's Bad Review	farted in public and blame someone else	given another driver the finger
not made it to the restroom in time	gotten a parking ticket	lied about my age on a document	eaten escargot (snails)	kicked out of a bar or any establishment
been outside of California	made out in the back seat of a car	been to an outdoor concert	talked myself out of a speeding ticket	broke a bone and wore a cast
