I've been to the Alamo.	I am afraid of heights.	I have a twitter account.	I was born after 1998.	I know what a Pharisee is.
I hate broccoli.	I'm on the soccer team.	I prefer crunchy peanut butter to creamy.	I am over 6 feet tall.	I'm an only child.
I've never been outside of the country.	I can ride my bike with no handlebars.	**FREE**	I have gone ten days without a real shower.	I have more than five siblings.
I'm allergic to cats.	I have seen the movie Tombstone.	I still sleep with a stuffed animal.	I have been to Europe.	I know what a quark is.
I can say hello in three languages.	I'm a morning person.	I have a food allergy.	I've never been stung by a bee.	I have a pet fish.
