Said "Please" when asking for something	Asked someone about their day	Helped a parent without being asked	Put something in the recycle bin	Left a positive note on a desk
Gave a family member a hug	Said "Have a nice day" to someone as I left the school	Made a new friend	Called a relative to tell them about your day	Offered a tissue to a person who needed one
Said "Good Morning" to someone	Said "Thank you" to someone	FREE	Cleaned up my room without being asked	Introduced myself to a new person
Invited another student to play	Read to someone at home	Invited someone new to sit next to me at lunch	Helped someone in need	Let someone go ahead of me in line
Helped clean up a mess that wasn't mine	Gave a classmate a compliment	Made someone laugh who was upset	Smiled at another student	Held open a door
