Split the beam	Broken a bone	Faked an injury	Hit your feet on a fly away	Had to do a punishment conditioning
Did something weird and look to see if the Coach saw it?	Slid down the rope	Have more than 10 Leotards	Can do a backhand spring	Rolled eyes at the Coach
Warn the same Leotard to practice is in a row	Cheated on conditioning	FREE	Gotten a headache at practice	Gotten a rip
Made up your own skill	Had a mental block	Have your splits all the way down	Fell off the beam at a competition	Have grips
Cried at practice	Made a TikTok at practice	Done a one minute handstand	Were late to practice	Face planted
