we need a doctor's order	Can you check her hair?	another PD	not compliant	do you have a doctor's note?
My mom said to come see you	we have a field trip tomorrow	go back to class	Did you poop?	missed lunch
vacuum extraction in room 102	what did you do?	FREE	Did you wash your hands?	career change
close the bathroom door	sign the health history	did you flush?	can't reach a parent	for a paper cut?
can I call my mom?	It only hurts if I touch it	left on time	you are not going home	Where is my pen
