i only use this pharmacy	A line in the drive thru right before closing	I called this in just earlier	What happened to your hand	The same customer calls 4 times in a day
Fill everything on my profile	ethan ask for food within 30 min	Well I'm out	But I have insurance	What do you mean no refills?
do you have xyz control in stock	someone waiting before we open	FREE	But Thanksgiving is tomorrow and you're closed	I paid \$X.XX last time
It says on my bottle...	What time do you close	That's not OTC?	I lost them	There should be xxxx amount of RX's
I got a call text or message from the pharmacy	Do you do the Covid boosters	What do you mean I have a deductible?	thats on back order	I always have a problem here/with doctor
