Strategic avoidance of emotional elephant in the room.	"Don't embarrass us in front of the guests."	Dirty looks between older relatives.	Screaming fight about how someone is "RUINING THANKSGIVING."	Merciless teasing of most vulnerable family member.
Body-shaming.	Someone sneaks off to smoke or drink and is yelled at afterwards.	Passive-aggressive invalidation of every part of your life.	"Why are you so sensitive" / "You just can't take a joke"	Pets / kids who may be badly managed but don't deserve any of this.
Someone gets unpleasantly drunk.	Unnecessarily aggressive knife and fork plate scraping.	AWKWARD SILENCE FREE SPACE	Bashing "this generation."	Gossip / backbiting as soon as someone leaves the room.
Host is mad that everyone can't "just get along."	Screaming fight about what deceased relative actually wanted.	Malicious annual revival of the same old argument from 30 years ago.	Fighting about why someone left early.	Oblivious enabler / flying monkey smiles and passes the gravy.
Fear-mongering conspiracy theories.	Bigotry.	Passive-aggressive remarks about cleanup.	Victim-blaming.	Creepy relative is incredibly creepy. Again.
