Someone says how smart Titus is	Curse word said	Mom makes homophobic joke/comment	Someone cries	Mom takes another framing order
Mom gets a migraine	Someone openly stares at Rob's toupee	Rob gives orders	Dad makes a Rocky Mountain High joke	Rob sits on his phone
Someone makes up an excuse to leave early	Storming out in anger	AWKWARD SLIENCE FREE SPACE	Dad says it's his last year living	Mom or dad say we don't have to see them for a while after this
Mom or dad think they can get money for something that's garbage	Someone gets hand or foot slammed	Mom says to keep things that should be thrown away	Mom or dad say how much they've helped us all	Rob falls asleep
Mom makes racist joke/comment	Mom and dad argue	Rob says "wull"	Talk of Christmas plans	Mom makes fun of dads confusion
