They'd seen his face before	A crowd of people stood and stared	Dragged a comb across my head	I'd love to turn you on	He didn't notice that the lights had changed
And though the holes were rather small	The English Army had just won the war	I saw a film today oh boy	A crowd of people turned away	Now they know how many holes it takes to fill the Albert Hall
About a lucky man who made the grade	Four thousand holes in Blackburn Lancashire	FREE	Having read the book	Nobody was really sure if he was from the House of Lords
He blew his mind out in a car	I'd love to turn you on	Found my way downstairs and drank a cup	I read the news today oh boy	Found my coat and grabbed my hat
And looking up I noticed I was late	And somebody spoke and I went into a dream	I read the news today oh boy	And though the news was rather sad	I saw the photogra ph

Well I just had to laugh	Made the bus in seconds flat	I'd love to turn you on	I saw a film today oh boy	Nobody was really sure if he was from the House of Lords
And looking up I noticed I was late	And somebody spoke and I went into a dream	I saw the photogra ph	I read the news today oh boy	And though the holes were rather small
I read the news today oh boy	A crowd of people turned away	FREE	Four thousand holes in Blackburn Lancashire	A crowd of people stood and stared
He didn't notice that the lights had changed	They'd seen his face before	Woke up fell out of bed	And though the news was rather sad	About a lucky man who made the grade
I'd love to turn you on	But I just had to look	Having read the book	Dragged a comb across my head	Found my way downstairs and drank a cup

A crowd of people stood and stared	And somebody spoke and I went into a dream	I read the news today oh boy	Having read the book	Found my way upstairs and had a smoke
