

B	I	N	G	O
You take a shot	Awkward Silence	Someone leaves the party early	You eat a cupcake	Someone takes a phone call
Someone is dancing	You start the dancing	There is a group laugh	Group photo	You don't drink alcohol
You spill your drink	You talk to everyone at the party	FREE	No one sings karaoke	Someone photobombs you
Someone says they like eggnog	You photobomb someone	Someone spills their drink	Someone orders shots	Someone yells BINGO
Someone no-shows	See someone texting	You are not dressed in holiday clothes	You win a prize	Someone karaokes a Christmas song
