something really cool happens to me	MAJOR MAJOR news	i find new game (like ow idv fn)	overwatch gets a little more generous	joe biden doesn't become president
get license	someone on hc gets cancelled	meet a new friend hii	MIKU IN FORTNITE/emote is acceptable..	new life series
peter parker crumbs	the ao3 attack of 2023 makes a return (more than 12 hours)	FREE	become happier	i get skinnier (not acceptable until those ribs pop)
i write again	people come back to yan sim/ is finished	idv lim s tier (WAR IS OVER)	i get a phase that i used to have OR is extremely embarrassing	joel or martyn join hc
i get a job	best crew pack (JONI THE RED I MISS YOU...)	mercy mythic	the best bp drops	get major beef with someone
