

B	I	N	G	O
Your brother has come home	All I have is yours	"I have sinned before Heaven"	Lavish	Run to the Father
Once I was lost now I am found	I have been here all along	Worthy	Put a ring	What was dead is alive now
Forgiveness	Music and dancing	FREE	He meets us halfway	No longer slave but a child
The Father ran	No offenses	Restore	Wasted his livelihood	Loving Father
Lost Son	Precious and valuable	He had nothing	Prodigal	Divide our inheritance

B	I	N	G	O
