

B	I	N	G	O
Want to work with adults	Bad zoom or google hangouts connection	Enjoy cooking	Received an email including the words "unprecedented circumstances"	Likes to draw or color
Drinking tea is your personality now	Video-chatted a friend to "study" or "work together" and then ended up chatting for hours	Originally from outside of the United States	Being tired is your personality now	Received an email about an email
Speelt graag bordspellen	Want to work with children and/or adolescents	FREE	Can speak more than one language	General sense of doom
Have a pet	Said "screw grad school" and then immediately started working again	Have lost track of the days during quarantine	Excited to be a clinical psychologist	Originally from DC or Maryland or Virginia
Enjoy yoga	Drinking coffee is your personality now	Plays a musical instrument	Was nervous during interview day	Enjoy baking
