You help a new employee learn something	A bale gets made	\$400 order (not charged)	A customer wanders in the backroom	The front door stops working
Shake n bake comes on sale	A customer complains about the weather	You eat lunch with a coworker @ work	Someone requests a special order item	A customer gives you TMI
The bathroom gets cleaned 4 days in a row	We sell out of a sale item	FREE	A co-worker does something extra to help	Somebody is waiting outside before we open
It rains	It snows while you're at work	The truck is late	Mobile debit is used	Something comes for you in the mail bag
We sell 5 red totes	Greg comes to the store	An officer in uniform comes in	Somebody asks for directions in town	A freezer needs defrosted
