Where is the defribulator?	Be Safe	Know your escape route	Warning signs of a stroke	Report injuries
Heart attack symptoms	Where do we hunker down?	Sit ergonomically correct	Beware power chords	Use cups with lids
Where do we evacuate to?	Who has the first aid kits?	FREE	Call for an ambulance	Make multiple trips
Offer to help	Where are fire extinguishers?	Praise safe behavior	Look away from monitor	Report possible hazzards
Lift with your legs	Call security for escort	Take a walk	Who is on your ICE list?	Keep isles clear
