

Affirmation

I will have a good day	I am happy	I complete my homework	I respect myself	I like to draw
I can do my work assignment	I will go to sleep on time	I look for the best	I am hopeful	I raise my hands for permission
I will eat breakfast	I will participate in all activities	All about me	I am optimistic	I have coping skills
I have good thoughts	I respect others	I like to color	I follow directions	I listen well
I do not leave my class without permission	I am smart	I love myself	I will talk about my problems	I complete my chores
