Whenever the manager lady is a pushover	Any time someone rages	Every time someone hurts themselves	Kopiko ad	Excitation from Kylie
Every time coco claws for a pet	When the tall guys sister eats something	If anyone says "omg I'm so full"	Anytime they have a drink we have a drink	Julie says aww cute
When su min does eye twitch	Wrist grab	FREE	Anytime they say I love you	Everytime Julie speaks Korean to yeti
Everytime fish boy comes up	Main guy doing eyebrow thing	Everytime they are in a hospital police station or grave site	Every time the main character needs to be saved	If Kylie says omg just kiss
Every time someone relationship cheats	Anytime they say revenge	If you fall asleep drink whatever is left	flashback	Every time coco goes to a different room
