We just signed a contract with a different vendor	60th dial for the day	Rude Person	They say they HAVE heard of Millennia	They are still dealing with Change fallout
Gate Keeper Says No Needs	We have an internal billing team	They don't Know Who Handles That	Book a Meeting	We have a vendor for that already
Women Picks Up	Disconnected during call transfer	FREE	Send over some additional info	They Hang-up on you
Voicemail full	They Mention An Upcoming Project	They have QR coded Statements	Says our EMR does that	They ask where did you get this number
Fax number dial tone	Transferred to contact	Man Picks Up	contact doesn't work there anymore	Number does not work
