

I've had SEX

With a friend	And made more than two people cum	In a shared space (i.e. living room when roommate was home hostel etc.)	On camera	In public
In a hot tub	With 2-4 people at once	In the rain	At a hotel	On a couch
With 2 or more of the opposite sex at once	With a stranger	Free Orgasm	At work	In front of a fireplace
In front of a pet	Using everyday items	In front of an audience	In every room of the house	In the car
In a tent	In a BDSM setting	In the woods	With more than 30 different partners	In a park
