helped with a boost	AVS incorrect	IV pump beeping for no reason	bought a coworker a coffee	Priority discharge out by 11a
Difficult airway sign posted appropriately	helped a lost patient find their room	Updated all of my patient white boards	Did a coworker peer feedback	ate lunch with a coworker
escalated a refusal of CHG	ordered a tray for a patient	FREE	Did a manual BP	Patient forgot why they turned on call light
Patient needs start talking form	drank 3 waters on a shift	Patient put on call light by mistake	Patient NPO wants to eat	Secure message MD for order clarification
Isolation patient	Did orthostatic BP	answered another co workers light	pt family member wont let me talk	Educated a coworker on a new policy/procedure/skill
