helped with a boost	AVS incorrect	Educated patient on fall risk	Started blood	Patient needs start talking form
Did a coworker peer feedback	helped a lost patient find their room	Patient with bed alarm	Apply oxygen for patient	Pt refuses care
Used hover mat	post op n/v	FREE	Computer froze	Help with an admit
Messaged pharmacy for missing meds	Updated all of my patient white boards	Patient needs new IV	Had to call HITS	Patient needs straight cath
Had the CLEAN line called	Cosigned a waste	Piggyback antibiotics	pt family member wont let me talk	Double gloved
