

N	U	R	S	E
signed up for turn team	Admission during shift change	Lost my pen	gave insulin	answered another co workers light
Did a manual BP	placed a social work consult	emptied foley before pt transferred	CSR on shift	patient refused care
Called security	educated a patient/family on p	FREE	Took a tray to the logistics room	performed a 4 eye assessment
Used a gait belt	ordered a meal for a patient	Wrote an incident report	filled out a ticket to ride	Patient NPO wants to eat
MD wants I&O updated	clarified an order	Completed all sepsis screens on my patient	Cosigned a waste	had a heating pad ordered
