AIDE

told someone thank you	5th clean up today	Patient wants heat turned up	patient forgot why they put the light on	got asked to do a task on way to break
Escalated refused bath	signed up for turn team	made someone smile today	A patient told me thank you	patient put light on by accident
Applied CHG	made someone laugh	**FREE**	covered a coworker lunch	patient wants to be unhooked from IV
drank a coffee	patient on fall risk had to stay in bathroom	gave directions to the cafeteria	needed to get q4 vitals on 6 patients	Reported low BP
Reported high BP	half my patients needed CHG	Assited with another co workers code brown	Emptied foley before patient went to test	patient hard of hearing
