

AIDE

told someone thank you	A patient told me thank you	5th clean up today	Patient wants heat turned up	patient hard of hearing
got asked to do a task on way to break	IV keeps beeping	signed up for turn team	made someone laugh	Applied CHG
patient wants to be unhooked from IV	Blood pressure cuff wont inflate	FREE	Thermometer doesn't want to read	Got report from all of my patient nurses
covered a coworker lunch	patient put light on by accident	gave directions to the cafeteria	needed to get q4 vitals on 6 patients	patient spilled water/food
patient forgot why they put the light on	Reported high BP	brought a safety concern to nurse	Relieved a patient attendant	half my patients needed CHG

AIDE

covered a coworker lunch	Proactively helped a coworker	Blood pressure cuff wont inflate	Escalated refused bath	helped send patient to OR
got asked to do a task on way to break	gave directions to the cafeteria	Assited with another co workers code brown	patient wants to be unhooked from IV	Emptied foley before patient went to test
patient on fall risk had to stay in bathroom	Thermometer doesn't want to read	FREE	brought a safety concern to nurse	signed up for turn team
Applied CHG	told someone thank you	planned care with RN	patient hard of hearing	had to take a manual pressure
IV keeps beeping	Patient wants heat turned up	needed to get q4 vitals on 6 patients	took orthostatic blood pressure	patient forgot why they put the light on

AIDE

made someone smile today	patient put light on by accident	Blood pressure cuff wont inflate	Escalated refused bath	needed to get q4 vitals on 6 patients
had to take a manual pressure	IV keeps beeping	patient forgot why they put the light on	half my patients needed CHG	A patient told me thank you
Thermometer doesn't want to read	5th clean up today	FREE	got asked to do a task on way to break	helped send patient to OR
someone did something nice for me today	Emptied foley before patient went to test	wrote a life saver	used a gait belt	Ordered patient meal
took orthostatic blood pressure	Assited with another co workers code brown	patient on fall risk had to stay in bathroom	made someone laugh	Patient doesn't want blood sugar checked
