someone did something nice for me today	A patient told me thank you	5th clean up today	Proactively helped a coworker	patient on fall risk had to stay in bathroom
made someone laugh	Ordered patient meal	pt pulled out IV	patient complained of nausea but wants to eat	Applied CHG
patient hard of hearing	patient wants to be unhooked from IV	FREE	told someone thank you	Blood pressure cuff wont inflate
drank a coffee	IV keeps beeping	got asked to do a task on way to break	patient put light on by accident	half my patients needed CHG
patient forgot why they put the light on	patient states they can walk by themselves	brought a safety concern to nurse	gave directions to the cafeteria	Reported low BP
