

AIDE

someone did something nice for me today	A patient told me thank you	5th clean up today	Proactively helped a coworker	patient hard of hearing
half my patients needed CHG	IV keeps beeping	planned care with RN	patient complained of nausea but wants to eat	Applied CHG
patient forgot why they put the light on	patient wants to be unhooked from IV	FREE	told someone thank you	Blood pressure cuff wont inflate
needed to get q4 vitals on 6 patients	covered a coworker lunch	gave directions to the cafeteria	patient put light on by accident	got asked to do a task on way to break
patient dumped urine instead of saving	patient states they can walk by themselves	had to take a manual pressure	Reported low BP	Reported high BP

AIDE

made someone laugh	gave directions to the cafeteria	Relieved a patient attendant	Emptied foley before patient went to test	Escalated refused bath
made someone smile today	helped send patient to OR	had to take a manual pressure	Assited with another co workers code brown	patient wants to be unhooked from IV
patient hard of hearing	covered a coworker lunch	FREE	Blood pressure cuff wont inflate	drank a coffee
planned care with RN	Applied CHG	told someone thank you	needed to get q4 vitals on 6 patients	Ordered patient meal
Proactively helped a coworker	patient doesn't want to use the commode	used a gait belt	patient put light on after I had just walked out again	patient forgot why they put the light on

AIDE

patient complained of nausea but wants to eat	patient spilled water/food	Blood pressure cuff wont inflate	Got report from all of my patient nurses	patient doesn't want to use the commode
helped send patient to OR	IV keeps beeping	patient dumped urine instead of saving	made someone laugh	A patient told me thank you
covered a coworker lunch	5th clean up today	FREE	half my patients needed CHG	made someone smile today
someone did something nice for me today	Emptied foley before patient went to test	wrote a life saver	walked a patient in the hall	Ordered patient meal
used a gait belt	Assited with another co workers code brown	patient hard of hearing	needed to get q4 vitals on 6 patients	Patient doesn't want blood sugar checked
